Personal Profile

I am currently in my final year at Plymouth University where I am studying BSc(Hons) Computer Science. During my degree, I have shown that I can work to a strict deadline while keeping calm and efficient under pressure, I can work effectively as part of a team or individually and I have shown that I am a lateral thinker with great problem solving skills. I have recently completed a placement with a large and successful global computing company, Accenture.

Education

2013-(Expected year of graduation 2017)	Plymouth University, Plymouth, United Kingdom.
